ERMS & CONDITIONS

-) In these Terms & Conditions "Seller" means Paramount and "Buyer" means the person, body, firm or company with whom the seller enters into a contract for the sale of goods and/or supply of services.
-) Any Quotation given by the Seller is merely an invitation for provision of goods or services to the buyer's specification and shall not give rise to any contract between the parties. The Seller reserves the right to vary or withdraw a quotation at any time prior to the dispatch of goods to the buyer.
-) The Buyer must notify the Seller of their acceptance of this quotation with thirty (30) days from the date of this quotation by means of a Purchase Order by written intimation.
-) The Buyer must provide the Seller with a Purchase Order detailing the specifications of goods or services to be supplied. The Buyer may not alter or modify the Purchase Order without the written consent of the Seller.
-) 50% Cash or current dated cheque to be paid in advance along with the Purchase Order and balance 50% to be released prior to delivery of goods to the Site, unless specified otherwise in the Payment Terms.
-) All Cheque payments to be made under the name as mentioned in the right side footer.
-) If the quoted items are not available in stock at the time of order confirmation, the Seller will arrange to order and deliver the quoted items within 12 to 14 working weeks. Priority delivery by means of courier/air freight/postal/LCL etc will be charged additionally.
-) Delivery time shall not be the essence of the Contract. Delivery dates are estimated in good faith by the Seller. Under no circumstances shall the Seller be liable for any damages whatsoever for failure to deliver or delay in delivery however occasioned.
-) If the delivery is in installments, delay in delivery on any installment shall not relieve the Buyer of its obligation to accept the remaining deliveries.
- 0) The Seller shall retain title to the goods, until receipt of the payment in full for the goods.
- 1) Invoices will be raised by the Seller against all full or partial deliveries without delay for payment processing.
- 2) All civil, electrical, gas lines, steam lines have to be provided by the buyer with isolation points below the units as per MEP drawing details.
- 3) Seller reserves the right to submit revised variation cost in case of any change in site conditions or scope of work. Buyer's approval & agreement for additional payment is mandatory to proceed with these additional work.
- 4) The Buyer may cancel a Purchase Order only if the Seller is advised in writing and the notice is received by the Seller (a) prior to the dispatch from the Seller's premises, for a standard product normally stocked by the Seller; or (b) prior to the Seller placing Purchase Orders on suppliers and is unable to cancel those Purchase Orders without attracting cancellation charges; or (c) prior to the Seller commencing manufacturing of a customized product. Commencement of manufacture shall be deemed to have occurred when the Seller has raised purchase orders for material to enable manufacture and is unable to cancel those orders without attracting cancellation charges or has commenced conversion of a normally stocked product.
- 5) Any models, pictures, drawings and measurements shown, provided or communicated in a quotation given are only general representation of the items offered. Changes in the picture shall not oblige the vendor to any compensation and shall not give the purchaser the right to refuse payment agreed against items delivered.
- 6) Any modification request by Buyer after commencement of manufacture or completion of manufacture shall be reviewed by the Seller and if modification is possible then it will be charged additionally and such additional charges will be intimated to the Buyer and work on any such additional modification will commence only after the receipt of the payment request for such modification.
- 7) All custom manufactured products will be delivered after a minimum period of 25 days from the date of the final drawing approval/confirmation of the Buyer, unless specified otherwise in the Delivery Terms.
- 8) All exhaust duct, roof or wall extract and fresh air vents and fans have to be installed by the Buyer terminating with collars to 2.5 mts above the cooking equipment for final connection by the Seller.
- 9) Any approvals from Government Agencies at the Site will be the sole responsibility of the Buyer.
- 0) In the event of any delay in acceptance of goods for more than seven (7) days from the schedule date, the Seller will raise the full invoice amount for release of payment by the Buyer. Storage of the goods confirmed to be purchased by the Buyer for more than thirty (30) days in the warehouse of the Seller will attract additional warehousing cost and the same shall be borne by the Buyer.
- 1) Any and all advance payment by the Buyer will be forfeited by the Seller in case of order cancellation of manufacturing product(s).
- 2) The construction, validity and performance of this Contract shall be governed by the Laws of the United Arab Emirates.
